The order was issued. The Dy Commr Mysore Dt now suggests a re-consideration of the order on the ground that the travelling allce bills which have, under that order to be sent to the Revenue Commr, refer to journeys made not only on Revenue duty but also on duties connected with other depts.

The question has been fully considered once already & the Govt was not unaware of the considerations now urged by the Dy Cr. May a reply be given to this effect?

The papers are submitted as required – The Dy Comr's connection with the Public Works & Police & Municipal Depts is in no sense less responsible than his Revenue – and the Dy Comr is not altogether without reasons in his favour but I was sorry to see that Govt are not disposed to reconsider the orders already issued. It is inexpedient to do so. But as the papers have been called for they have been submitted

Order.

In my opinion the representation of the Deputy Commissioner of Mysore is uncalled for and objectionable. Govt must be presumed to know their own mind and it is entirely out of order for a District officer to protest against orders immediately after they are passed. If time and experience had shown that the order required reconsideration the Dept. Commr. of M. would have been in order in making a respectful representation.

OFFICE OF THE DEPUTY COMMISSIONER.

MYSORE DISTRICT.

Dated Camp Hunsur 14th December 1903.

To H. Kempiah Esq. M.A. M.L.

Secretary to the Government of Mysore,
General and Revenue Departments.

Sir,

With reference to Govern-
-ment order P & A 920-29 of the 26th
November 1903 directing that the travelling
allowance bills of the Deputy Commissioners,
and of others when they contain allowances
for the journeys performed beyond the juris-
-diction of the Deputy Commissioners should
be sent to the Revenue Commissioner, I beg
leave to submit that as those bills refer
to journeys made not only on Revenue duty
but also on duties connected with the
Police, Excise, Municipal, Local Fund, Judicial
& departments the head of any one of
those departments will not be able to test
them with any profit, and moreover they

pertain to the Commercial department.

I therefore, venture to suggest a re consideration of the order passed.

I have the honor to be,

Sir,

Your most obedient servant
